AN ESCAPOLOGY AFTERNOON AT THE SAUJANA HOTEL KUALA LUMPUR

Shah Alam, 17 January 2018: If you are looking for an 'Out-of-the-box' team building venue, look no further, this is definitely your idyllic choice. The '**Escapology**' concept here refers to an 'Urban Escape' instead of a mission cue escape trap. Our in house team building experts were showcasing the infinite ways in carrying out outdoor team building activities on last Saturday at our Mice Re-launch event, bringing out the best through '**EXPERIENCE, PERSONALISATION AND REWARDS**'.

Everyone loves a good story, here at The Saujana Hotel Kuala Lumpur with 30 years of invaluable experience, invited over 50 MICE event organisers to participate at the Escapology event. "We are a tranquillity landscape instead of a horizontal property, you will find endless possibilities here, reminders of ideas yet to be imagined", said M.Manimaran, Senior Director of Sales & Marketing during the opening speech.

The participants were led to the newly refurbished swimming pool at The Club to experience the sparrows releasing gesture. As sparrows represent love and loyalty which is key in any business. "Let us spread our wings and soar 'as far as the eye can see'", added M.Manimaran before the flag-off.

The participants were impressed and amazed with the luxurious surroundings and the customised programmes which were so interactive. They were grouped with random strangers, the activities were so engaging that they found inspiration coming alive at every turn. The merely physical activities brought all participants to witness the 160 hectares of well-spread manicured gardens. Each group were given a passbook to collect ten stamps at every stations after performing tasks required.

Station 1, The Spa, Vitality Rehab and Fitness Centre - 2 members gave 5 minutes shoulder massage to 2 other members, 4 members ran 5 minutes on treadmill, 2 members did squat exercise for 5 repetition, observed by the therapist.

One of the goal was to make the event 'Instagram Worthy', there were various prizes given out based on individual categories, 'Most 'Likes' on Insta Story', 'Most 'Likes' on FB Live', 'Best Selfie on Instagram' and lucky draws.

With the scenic beauty poolside picnic set up under the transparent marquee filled with fairy lights, chequered tablecloths, fruit baskets tied with helium balloons, the entire atmosphere turned invigorating with laughter and joy.
